

**Wet Nose Canine Presents
Agility Seminars with Diane Patterson
Friday July 29th & Saturday July 30th,
2022**

A part of the northeast agility community since 2004, Diane has attained championship titles in AKC, USDAA, NADAC and UKI. As a competitor, she's earned win-on spots on the AKC World Team, AKC European Open Team and the UKI US Team, and has been a finalist numerous times at national and regional events. Familiar with the mindset tools needed to win, she infuses her training with actionable behaviors for success. She's owned, trained and competed with Belgian Shepherds, Shelties and terriers, and currently competes with her young sheltie Happy.

**Friday July 29th, 2022 9AM - 5PM
"The Right Time & Place"**

Mistakes such as off-course, refusals, ect., can often be avoided if handlers were in the right place at the right time. Handlers don't believe they can't get to the right place when their dog is fast, and they hang out in the wrong place when their dog is slow.

Handlers will learn to be in the proper position at the right time in order to create accurate and efficient teamwork with their dog.

**Saturday July 30th, 2022 9AM-5PM
"Young Dog Independence"**

Suitable for teams that are green, and for handlers that need to create space/distance with their dogs.

In this seminar we teach handlers HOW to reward small pieces of a behavior so that the overall goal is most successful, and dog's gain more confidence in the game

**\$225 for each working session full day
